EMPLOYMENT

Owner TALLEY AVIATION	Years Employed (11/97 - Present) RUSTON, LOUISIANA
---------------------------------	--------------------------------------------------------------

As the owner of Talley Aviation, I supply the local aviation community with pilot supply needs.

Lineman RUSTON FLYING SERVICE	Years Employed (11/96 - 11/97) RUSTON, LOUISIANA
-----------------------------------------	------------------------------------------------------------

A lineman's responsibilities are to take care of incoming pilot needs. Pilots needs could include refueling their aircraft or arranging transportation for there passengers. Also a lineman's responsibilities includes the overall work done at a FBO.

EDUCATION

Professional Aviation LOUISIANA TECH UNIVERSITY	Years Attended (1996 - Present) RUSTON, LOUISIANA
-----------------------------------------------------------	-------------------------------------------------------------

While attending Louisiana Tech University, I have achieved many honors. As and active member of Alpha Eta Rho, and international aviation fraternity, I have served as Vice-President and Alumni relations officer. I am also a member and safety officer on the Louisiana Tech National Precision Flight Team and have placed in the top three at regional competitions. Flight Team has attended competition in both the regional and national environment.

Aerospace Engineering TEXAS A&M UNIVERSITY	Years Attended (1995 - 1996) COLLEGE STATION, TEXAS
------------------------------------------------------	---------------------------------------------------------------

At Texas A&M, I was part of the most spirited and highly regarded organizations on campus, the Fighting Texas Aggie Corps of Cadets. I was also a varsity NCAA registered member of the Precision Rifle Team.
